

Directions to Bright Horizons at Playa Vista

12126 West Waterfront Drive | Los Angeles, CA 90094

Location

We are located in The Brickyard, next to Central Park at Playa Vista, right across the walkway from the soccer fields. The center is hard to see from the street as it's recessed one level lower than street level. The main entry gate is at the corner of Lake Center Dr. and W. Waterfront Dr., but you'll have to look over the fence to see the playground and center below. The gate opens to a ramp that will take you down to the main walkway that goes around the playground to the lobby door.

Directions

Heading West on Jefferson (from the 405 Fwy) - Make a left onto Lake Center and a right onto W. Waterfront. The center is on your immediate left.

Heading East on Jefferson (from Lincoln) - Make a right onto S. Campus Center Dr., then left onto W. Waterfront Dr. Follow W. Waterfront around to the left (it will curve) and the center is on your right at the stop sign (corner of Lake Center and Waterfront).
