

Bright Horizons at Los Angeles Hope Street

What to Expect

At Bright Horizons at Los Angeles Hope Street, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 1995 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 6 weeks to 12 years.

If you would like a virtual visit prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 213-623-0072 or hopestreet@brighthorizons.com.

Health & Safety

At Bright Horizons your child's health, safety, and wellness is our top priority. We continually monitor state and local public health guidelines, consult with our medical experts, and use our considerable experience to guide our practices. We're prepared to respond quickly and adjust those health and safety practices as needed, to ensure children, families, and teachers are protected.

What to Bring

Enrollment Forms & Health Records

Prior to care, we are required to obtain additional information about your family. Many of the forms are available on our Back-up Care portal: backup.brighthorizons.com/account/login, and will need to be submitted along with your child's health and immunization records.

Meals & Snacks

Children ages 2+ in our care are provided a morning and afternoon snack consisting of a fruit, vegetable, protein or carbohydrate, and milk. Lunch items should be brought in from home, ready to serve, and stored in a bag with ice packs, as needed. *Please note when packing your child's lunch that our center is nut-safe. This includes nut items and food items produced in a factory with nuts present.* In our infant classroom there is a fridge available for bottles; all bottles are to be prepared at home and will be warmed using a water bath method.

- ▶ Crib-sized sheet and blanket for rest time (*optional – provided if needed*)
- ▶ Favorite toy, book, etc. to ease the drop-off transition or for rest time
