

Welcome to SEI Family Center

What to Expect

At SEI Family Center, your child will be safe, well cared for, loved, and supported by our skilled teachers. Our carefully crafted back-up care program offers age-appropriate programs to encourage curious, happy, and confident children at every age and stage.

Our center has been welcoming families since 1999 for their back-up, school vacation, and summer care needs. Throughout the year, we offer virtual family information sessions and workshops, themed program weeks, and many other events for children ages 6 weeks to 12 years.

If you would like a tour prior to care, we would be more than happy to schedule one at your convenience; our center administrative team can be reached at 610-676-1543 or fam_center@seic.com.

At Bright Horizons your child's health, safety, and wellness is our top priority. We continually monitor state and local public health guidelines, consult with our medical experts, and use our considerable experience to guide our practices. We're prepared to respond quickly and adjust those health and safety practices as needed, to ensure children, families, and teachers are protected.

What to Bring

Enrollment Forms & Health Records

Meals & Snacks

Children in our care are provided balanced meals, including breakfast, morning snack, lunch and afternoon snack. Lunch items brought in from home, should be ready to serve, and stored in a bag with ice packs, as needed. *Please note when packing your child's lunch that our center is nut-safe.* All bottles are to be prepared at home and will be warmed in bottle warmers. There are refrigerators available to store bottles and food.

- ▶ The center provides crib and cot sheets, blankets, bibs, and burping cloths
